

CASE STUDY: SIGNATURE POOL SAFETY

INDUSTRY: POOL INSPECTION

Signature Pool Safety is a specialist pool safety company that offer flexible appointments with reliable service times.

Michael says,

“Formitize provides a valuable contribution to how our business operates and is good value for money.”

Signature are a friendly and reliable team who are dedicated to safety and convenience with free checklist and advice provided prior to inspections. They offer competitive pricing for a quality result, with a focus on safety. All team members are fully qualified and insured.

Mike and the team at Signature Pool Safety really believe in what they do. Even though it might feel like you're just ticking the box, you might be shocked to learn that there is an average of thirty fatalities of children under 5 in Australia every year due to pool-related drownings.

Signature Pool Safety is now using these Formitize solutions:

- [Mobile Forms](#)
- [Reporting](#)

When asked to describe the process of working with the Formitize software day to day and navigating around the different modules, Michael says, “Formitize is a good solution and is easy to use.”

When asked to describe the process of setting up his Formitize Account, Michael says, “Formitize was easy to set up.”

We also asked Michael to share overall how effective he felt Formitize has been on its Support and Customer Service. He said, "The support and Customer service teams are always very helpful and responsive." In terms of rating the overall Formitize Client

Support (1=Very Poor, 10 = Amazing),
Michael gave us a "10."

Michael compared Formitize to other solutions before he made the decision to use our [paperless](#) business solution

When asked, on a scale of 1 to 10, how likely he was to recommend Formitize to a friend or Colleague

(1 = Not Likely - 10 = Very Likely),
Michael said "10."

"We were using a different software solution before we came across Formitize. Then the company of the software we were using shut down and we were left with no software to use to help us run our company. Thankfully, I found Formitize," said Michael.

A photograph of a swimming pool with a metal ladder. The water is a vibrant blue, and the ladder's curved metal railings are in the foreground. The pool deck is visible at the bottom right.

"This is fantastic, time saving, easy to use. It will save you time and money. Love it."
